Projet: Ma famille
/60 marks

Your task is to construct your own family tree. You may represent your family in any way you wish--poster, model....BUT there must be a concrete representation (in other words, you must create something tangible/touchable to represent your family).
YOU HAVE BEEN GIVEN ABSOLUTE CREATIVE FREEDOM BUT YOU NEED TO KEEP IT APPROPRIATE:)

Criteria:

1. labeling your family members

You must represent at least 10 family members (if you are an only child, go as far back as aunts, uncles, or even great grandparents). Be sure to correctly spell the relative and include the appropriate possessive adjective. . Also, include the name of that relative.

Example: ma mère Julie, mon oncle Pierre

(Watch your spelling and grammar)

2. Your creation:

a) neatness-Is the representation of your family tree neat and clean?
/5 marks

b) originality and creativity-Is your project unique/original?
/5 marks

c) effort- Is it obvious that you have taken time and put thought into your project? Did you get the teacher to proofread?
/10 marks

3. Descriptive paragraph.

/10 marks spelling/grammar
/10 marks sophistication of language

You must include a paragraph in your project. In this paragraph you must describe at least 5 family members. Include a minimum of 10 different adjectives. Watch the agreement of your adjective to the family member you are describing. Example: if it's a girl, ensure your adjectives are feminine. You must choose both male and female relatives in your paragraph.

Word Count: minimum _____ words

4. Oral presentation.

You must briefly describe your family tree. Why did you represent it in such a way and who is in your family. You do not read your descriptive paragraph for this. You MUST create a separate and brief paragraph. Approximately 60 words. You can use some of the ideas from your descriptive paragraph. This part of your project must be written on a cue-card.

You must memorize your oral presentation.
